

MEMBERSHIP APPLICATION

Join a network of female local government professionals who help each other build public service careers through regular networking and professional development activities. The South Texas Women Leading Government (STXWLG) Chapter offers two annual membership opportunities. Please check your membership request:

Regular Members (\$40 per year): Any full-time employee of a city, county, or special district; any full-time state, federal, or university/ college employee, any full-time legislative assistant or other public sector organization

Student Members (\$20 per year): Any full-time student enrolled in a college or university with an interest in pursuing a career in public service, local government, and/or public administration

Please complete the information below and include a brief bio (150 words), using the second page of this application, with your submittal.
